COUNCIL BUSINESS
DLGF ESTIMATED MAXIMUM LEVIES

Gary Meyer: Okay. Now, Item 9, Council Business, DLGF, Estimated Maximum Levies. These are, have to be read into the Minutes, and Greg's gonna read 'em in, by title I hink.

Greg Richmond: I'm not sure how much of these to read. The first one is State of Indiana, Indiana Department of Local Government Finance, Line 7 (December Property Tax Collections) Calculation Worksheet for Budget Year 2017 for Warrick County and its got Rainy Day listed as zero ($0.00). General listed as twelve million three forty four six seventy four ($12,344,674.00). Election Registration, well, all, there's three (3) different numbers on this. 216 Certified Levy, Abstract Levy, and Starting Levy for Line 7. Now, she said that we only had to read titles.

Gary Meyer: Right.

Greg Richmond: There's a whole lot of numbers on these that would take a while. I'd like to ask our Council Attorney what he thinks I should read.

Al Holweger: Need to read the headlines.

David Hachmeister: Just the maximum levy, isn't it?

Al Holweger: Just (inaudible).

Cliff Whitehead: Yeah, you just need to read the titles. However, the, the full document must be included in the minutes, and, that's, I did some quick research. I just was…

Greg Richmond: Okay.

Cliff Whitehead: (Inaudible) was today, that must be in the Minutes, the full document.

Al Holweger: That makes it a little easier on you.

Greg Richmond: So, this first one is State of Indiana Department of Local Government Finance, Line 7 (December Property Tax Collections) Calculation Worksheet for Budget 2017. The second one then, by title…

Paul Rudolph: (Inaudible).

Greg Richmond: It's to be read and then I'll pass it along to be entered in the Minutes. It's called 2016 Warrick County Circuit Breaker Report and it has the 1% Homestead Circuit Breaker Credits, 2% Circuit Breaker Credits, 3% Circuit Breaker Credits, Over 65 Circuit Breaker Credits, and County-Wide Grand Total. The third document is a 2017 Estimated Property Tax Cap Impact Report for Warrick County. And, there are funds for all the Townships as well as the County here. Next is the 2017 Estimated Property Tax Cap...

Brad Overton: Oh, here he goes.

Greg Richmond: Impact by District, Warrick County and again, it lists all the Townships.

Gary Meyer: And, the School Corporation.

Greg Richmond: Yes, the School Corporation. They're in each Township listed here.

Gary Meyer: Right.

Greg Richmond: 2017 Estimated Taxing District Rates Report, Warrick County and it has all the Townships. And, the last one is State of Indiana, Indiana Department of Local Government Finance Estimated Debt Service Payments, and Levies for Budget Year 2017.

Gary Meyer: So, okay.

Greg Richmond: That should meet our obligation.

Gary Meyer: I think it does. Now, I was told that we need a motion that we accept that and to remind the Municipalities that we only have a three point eight percent (3.8%) growth quotient this year.

Brad Overton: Motion.

Al Holweger: Second.

Paul Rudolph: Second.

Gary Meyer: Motion made by Brad and seconded by Al, I think or Paul.

Greg Richmond: Who seconded?

Paul Rudolph: We'll give it to Al.

Gary Meyer: Give it to Al.

Al Holweger: It don't make any difference.

Greg Richmond: Thank you.

Gary Meyer: All those in favor of the motion? Opposed? Motion carried six (6), six, zero (6-0).

(DLGF Estimated Maximum Levies are on Pages 24 through 45 of the Official Council Minutes for August 4, 2016)
