WARRICK COUNTY COMMISSIONERS ORDINANCE NO. 1999 - 11

AN ORDINANCE TO AMEND ARTICLE V STREET AND UTILITY IMPROVEMENTS, SECTION 5, CURBS AND GUTTERS, SUBSECTION (1), OF THE SUBDIVISION CONTROL ORDINANCE FOR WARRICK COUNTY, INDIANA, AND ALL AMENDING ORDINANCES THEREOF

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF WARRICK COUNTY, INDIANA, as follows to wit:

SECTION 1, That ARTICLE V STREET AND UTILITY IMPROVEMENTS SECTION 5, CURBS AND GUTTERS, be and the same hereby amended as follows:

Section 5 CURBS AND GUTTERS

(1) Curbs and gutters shall be installed along all streets in the subdivision except where they are judged unnecessary by the County Highway Engineer for adequate drainage of storm water or for factors of safety. Curbs and gutters must be of integral concrete or other approved design and the materials and methods of construction must conform to the latest approved minimum requirements of the Standard Specifications or any subsequent amendment thereto.

For asphalt streets, curbs and gutters shall be constructed on prepared compacted aggregate base. The construction on the Street Construction Plans shall contain an illustration detail. The depth of the compacted aggregate shall conform to the Indiana Department of Transportation specifications.

SECTION 2. This ordinance shall be in full force and effect from and after its passage and publication by the Board of Commissioners of Warrick County, State of Indiana.

Approved this 28th day of June, 1999.
