

HEALTHCARE BLUEBOOK PROGRAM.

Employees and their Dependents can earn cash rewards by choosing a green provider for specific procedures available through Healthcare Bluebook. You may access the list of eligible services and green providers under Healthcare Bluebook at www.meritain.com or by contacting (800) 925-2272.

Go Green to Get Green!

Selecting a green provider for select procedures qualifies you for a reward. Healthcare Bluebook will identify your reward eligibility and the reward amount and send the reward directly to you. You do not have to submit any forms.

Go Green Rewards Processing

- (1) Healthcare Bluebook will determine eligibility.
- (2) Rewards are processed on a bi-monthly basis. Rewards usually arrive between 30 and 90 days after you have received a service. Rewards for services received at or near the end of the processing period may not appear until the following rewards cycle.
- (3) Confidential: No information about individual rewards is disclosed to anyone.
- (4) Rewards may be considered taxable income.
- (5) Rewards are mailed to the Employee's address and are made payable to the Employee (including rewards earned by family members).

- (6) Patients may receive multiple rewards for procedures rendered on the same day (e.g., if a patient needs 2 knee MRIs (left and right), he/she would receive 2 separate rewards for using a high value provider).
