

MyDrugBenefit

TrueScripts

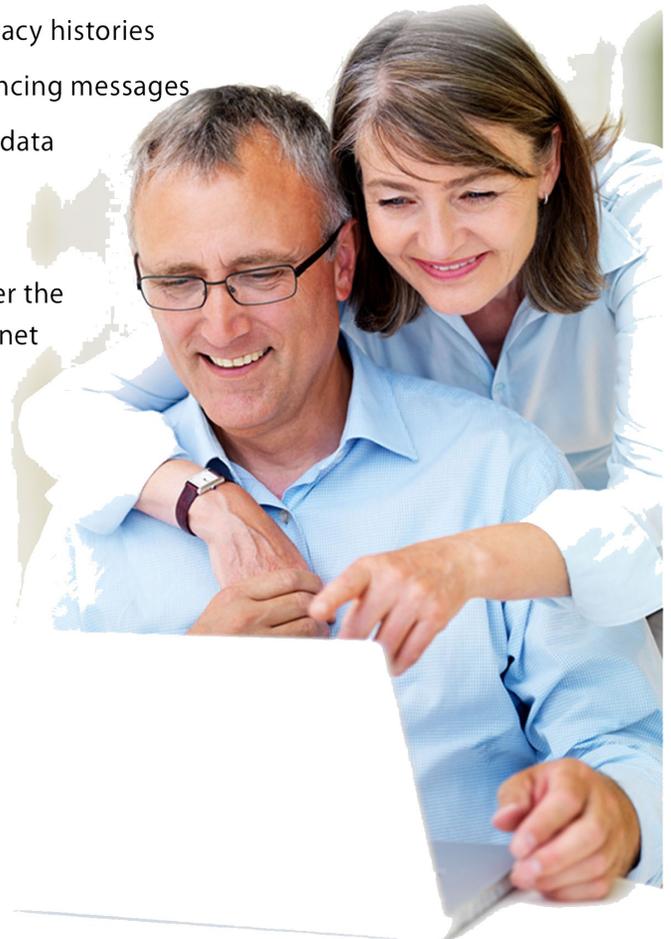

MyDrugBenefit is a web portal that empowers employees and their dependents to more appropriately use their pharmacy benefit – get the right therapy, at the right time, from the right source, based on both clinical and financial considerations.

Enabling Employees and Dependents to...

- Access consumer-friendly, actionable pharmacy histories
- Receive targeted cost-saving and care-enhancing messages
- Prepare for a physician visit using all known data
- Find in-network pharmacies, integrated with Google Maps®
- Build a current list of all prescription and over the counter medications with the medicine cabinet

How to Access MyDrugBenefit...

Access your TrueScripts MyDrugBenefit® by going to www.truescripts.com and the Members Section. Click on the link to TrueScripts MyDrugBenefit®. From here you can register and access your Dashboard of information.

Personalized Medicine Cabinet

- Keep track of current medications
- Prepare for doctor visits
- Add over the counter medications

Medicine Cabinet (OTC, Vitamins, Supplements, etc.)

This page shows the current medications you are taking in your medicine cabinet (OTC, Vitamins, Supplements, etc.)

- My Dashboard
 - History | Benefit
 - Interactions
 - Pharmacy Search
 - Medicine Cabinet (OTC, Vitamins, Supplements, etc.)**
 - Physician Visit Prep Form
- Secure Messaging Center

Medicine Cabinet (OTC, Vitamins, Supplements, etc.)

Current medications from your claims history are automatically added to your cabinet based on the most recent fill date and days supply information only. You may manually add any medications not currently shown in your cabinet.
